Foreign exhibitors can pay entry fees at the dog show.

Common regulations:

Complete the application on a typewriter or in block capitals. Illegible application forms will be returned. The organizer accepts no responsibility for wrongly completed applications. Unless a photocopy of Performance Certificate (the examination certificate, not tables and exam confirmation or Championship Certificate for the Champion class) is enclosed the dog will be classified to the open class. A proof of fee payment has to be attached to the application, unless the application will be returned. The fee may be paid at the show in exceptional situations upon agreement with the organizer, as per the 2nd deadline. The postal date on envelope is decisive for distinction between the first and second deadlines. Reclassification or exclusion of dogs after the deadline is not possible. Acceptance of a dog to the show will be confirmed by e-mail 10 days before the show. By application acceptance each exhibitor is subject to all the provisions of the FCI Exhibition Rule and the internal rules. Important note: A photocopy of the pedigree has to be attached to the application – applies to all the dogs admitted to the exhibition.

The exhibition is accessible to males and females of all breeds registered in the books recognized by the FCI that reached the age required for classification no later than on the day of the show. The show organizer does not take responsibility for damages caused by a dog or an exhibitor, or for dog loss or death. Free running of dogs is not allowed. Biting dogs have to wear muzzles. The Show Committee may reject an application without giving a reason. Hot females, females at advanced gravidity stages, nursing females, individuals with operative or other interventions on exteriors to detect removals and dogs with cropped ears are excluded from the exhibition. Unless otherwise stated in the instructions, the provisions of the FCI International Exhibition Rule and the CMKU Rules apply. If the show does not take place for any reasons the fees will be used for settlement of the exhibition costs. Sale of puppies is forbidden during the show. An exhibitor agrees with publication of his address in the catalogue.

Veterinary conditions:

All participating specimens must be clinically healthy. The dogs do not need a certificate of clinical health examination any more. Dogs that have not undergone the veterinary check-in control, must not participate at the show. The dogs must have a passport for small animals (EU pet passport) or a vaccination passport containing a record showing that the dog is in immunity against rabies canina, distemper, parvovirus and leptospirosis. Dogs coming from EU member states and from third countries must have a valid EU pet passport and must fulfil the conditions laid down by the EU Regulation 998/2003 of 26. 5. 2003. During the show, the owners should take measures ensuring that mutual attacking of animals or juring people is prevented.

Complaints:

Complaints against judge's decision is inadmissible. Only formal reasons of breaching the Exhibition Rule or instructions may be contested. A complaint has to be filed in written together with a bail of CZK 400 during the exhibition only. Unless the protest is found justified the bail will be forfeited for the benefit of the show organizer.
